## Optimal layout

Enjoy the seating comfort in the spacious open cabin of the Maril 570. As captain you can also enjoy a pleasant seating position behind the steering wheel! All your companions are able to enjoy the same comforts, due to the high-back seating. The interior space is put to ultimate use. Stable and steady on its course, cool box in the bow, storage for fenders under the boarding step, with captain and passengers protected under the canopy – all this makes for a lovely sloop to enjoy sailing at any time.
